Circle 6 Camp Registration Procedure

All **Team Members and Pilgrims** MUST create an account to register with Circle 6. Once an account has been created, please record your information (username and password) for future use. Each person will only create ONE account – do NOT use your spouse's account to register for a Walk). The registration process is easier on a laptop, but can be completed on a mobile device:

1. Go to Circle 6's website (https://circle6baptistcamp.com/) and select (click on) the button that says **REGISTER AS AN ATTENDEE**.

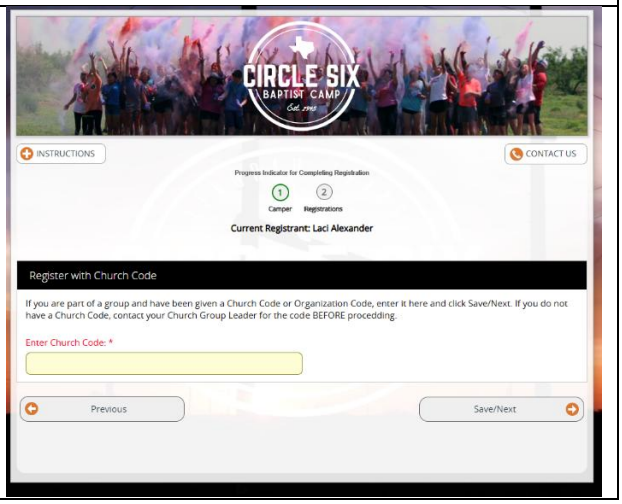

2. Once you have pressed on **REGISTER AS AN ATTENDEE**, make an account for Campwise with a login (use your email) and password.

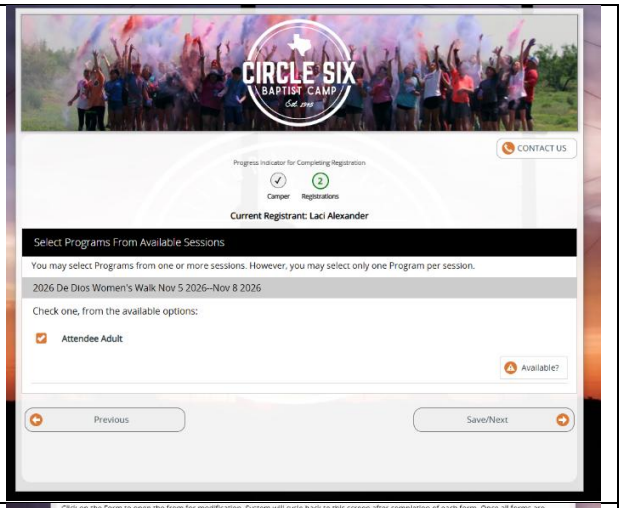

3. After creating an account, continue to sign-in to the new account.

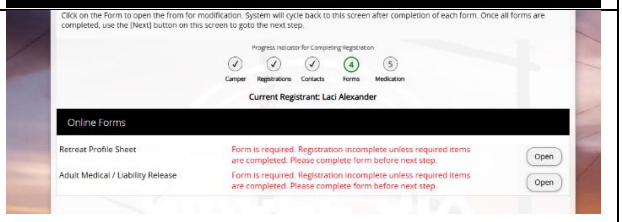

4. Select (click on) **ADD REGISTRANT**, and you will get to a page that says add "church code". Each Walk will have a different "church code". Contact Walk Lay Director to get the church code needed.

5. After entering the church code, confirm Walk information and select SAVE/NEXT.

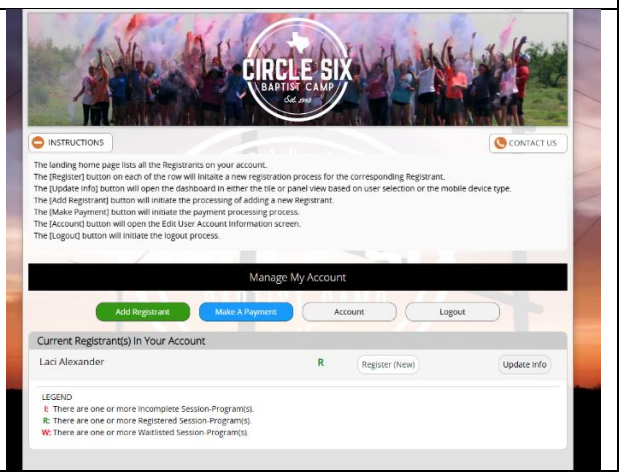

6. Fill out the retreat profile sheet and medical form. (The adult forms are for 18+, and the minor forms are for 17 under.) When asked to attach safety training, skip it. You are not required to do that.

7. Click Save and Continue.

8. The process is complete when the screen returns to the beginning of the process. A green “R” will appear by your name. You will know you are finished when it takes you back to the beginning of the process, and it shows a green 'R' by your name.

Circle 6 online registration MUST be completed by EVERY TEAM MEMBER and PILGRIM attending the Walk weekend
